For additional information, visit www.njaap.org

Join us at the 2018 Annual Conference & Exhibition - Restock Your Pediatric Toolbox on Tuesday, May 22 & Wednesday May 23, 2018 in Somerset, NJ. It is uniquely designed for healthcare professionals who have an interest in pediatric healthcare and want to stay abreast of the latest advances in the care of children from infancy through adolescence. The conference provides insight into the latest evidence in pediatric care and its application in the practice setting. Participants leave with a renewed sense of enthusiasm for practice as a result of networking and sharing the successes of others in pediatric care in New Jersey.

Learner Outcome:

By the end of this educational conference, pediatric healthcare providers will be able to maintain, and improve their competency, and performance within the pediatric healthcare setting by providing quality, relevant, accessible, and effective educational experiences that address gaps in practice and improve patient outcomes.

- Translate research/evidence-based quality innovations into best practices.
- Relate ideal work environment practices to patient and provider outcomes.
- Select clinical tools and strategies to use in your clinical practice to provide patient-centered care.

WHO SHOULD ATTEND

This activity is intended for Pediatricians, Family Care Physicians, and General Practitioners; Nurses & other Healthcare Professionals.

DATE / TIME

Tuesday, May 22, 2018

- 3:00 - 6:15 PM

- 7:45 AM - 5:50 PM

LOCATION

The Palace at Somerset Park
333 Davidson Avenue, Somerset, NJ

Directions: See our website under the venue section at www.NJAAP.org. Complimentary parking

REGISTRATION

ONLINE REGISTRATION CUT-OFF DATE: MAY 18, 2018
Walk-In Registration Accepted

PAYMENT:

Payment by check or credit card.

ACCREDITATION STATEMENT

This activity has been planned and implemented in accordance with the accreditation requirements of the Medical Society of New Jersey through the joint providership of Atlantic Health System and New Jersey Chapter, American Academy of Pediatrics. Atlantic Health System designates this live educational activity for a maximum of 2.0 AMA PRA Category 1 Credits™ for Tuesday, May 22, 2018 and 7.25 AMA PRA Category 1 Credits™ for Wednesday, May 23, 2018. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 2 MOC Part 2 points for May 22, 2018 and 6 MOC Part 2 points for May 23, 2018 in the American Board of Pediatrics' (ABP) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABP MOC credit.

Nursing CNEs

New Jersey State Nurses Association:

This activity has been submitted to New Jersey State Nurses Association for approval to award contact hours. New Jersey State Nurses Association is accredited as an approver of continuing nursing education by the American Nurses Credentialing Center's Commission on Accreditation.

Accredited status does not imply endorsement by NJAAP, NJSNA or ANCC Commission on Accreditation of any commercial products discussed/displayed in conjunction with this program of any commercial products or services.

To receive Nursing CNEs, participants must sign-in, attend all sessions on the specific day, and complete the on-line evaluation for the full day conference. For more information regarding contact hours, please call: Cortney Mott, Senior Marketing & Event Manager - cmott@njaap.org or 609-842-0014.

The following faculty/presenters & planning committee have no relevant financial disclosures or conflicts of interest:

Denise Bell, MD, FAAP; Diane Calello, MD; Mark Del Monte, JD; Peggy Eicher, MD, FAAP; Margaret 'Meg' Fisher, MD, FAAP; Richard Lander, MD, FAAP; Julie M. Linton, MD, FAAP; Patricia Cintra Franco Schram, MD, FAAP; Warren M. Seigel MD, MBA, FAAP, FSAHM; Judith Shaw, MD, FAAP; Paul Vanchiere, MBA; Chief John Zebrowski; Jeanne Craft, MD, FAAP, Committee Chair; Jeff Bienstock, MD, FAAP; Susan Brill, MD, FSAHM, FAAP; Larry Frenkel, MD, FAAP; Sheryl John, MD, FAAP; Shoshanna Melman, MD, FAAP; Elliot Rubin, MD, FAAP; Ellen Shuzman, PhD, RNC-OB, APN; Michele Tuck, MD, FAAP; Alan Weller, MD, MPH, FAAP; Fran Gallagher, MEd; Cortney Mott, MEd; and Bert Mulder

SYLLABUS

A Green Approach: All registrants will be provided access to presentation slides and additional resources provided by the presenter. A link to the syllabus will be provided via email shortly before the conference begins if you prefer to print the syllabus.

EVALUATION

Attendees will receive an email shortly following the full day conference with a survey link included. This survey/evaluation will ask attendees to evaluate each session and each speaker's presentation, as well as to identify future educational needs.

NJAAP Event APP

The NJAAP Event app is the official event guide and will help attendees navigate the conference agenda including information about sessions, speakers, sponsors, and more. Within the app is an overall schedule that will allow attendees to stay in the loop of all things conference related while on-site. In addition, the app will provide the opportunity to network with other attendees, connect on social media, and more! More details forthcoming, once registered for the conference.

May 22, 2018

Program

3-3:30 PM	Registration
3:30-5:30 PM	Workshop Session
5:30-6:15 PM	Cocktail Reception

Workshop Overview (Choose 1)

Tele-Medicine

Denise Bell, MD, FAAP

This workshop is intended to review Tele-Medicine in the pediatric setting for improving the health of children and discuss the use of technologies to remotely diagnose, monitor, and treat patients.

Substance Abuse & The Opioid Crisis

Patricia Cintra Franco Schram, MD, FAAP; Diane Calello, MD, FAAP; & Chief John Zebrowski

This session is intended to summarize the impact of the national and state opioid crisis on the pediatric population; address common questions regarding opioid utilization for children suffering from acute and chronic pain; and the legal repercussions of opioid use.

Practice Management - How to Prove Your Value in a Value-Based Payment World & Pivotal Relations – How to Bring Out the Best in Employees

Richard Lander, MD, FAAP & Paul Vanchiere, MBA

The first part of the session focuses on describing what factors go into payments for value-based payment system; identify clinical areas that they can use to improve quality; and factors patients will use to value them. The second part of the session will focus on sharing practical strategies to motivate your employees to achieve the highest level of performance.

May 23, 2018

Program

7:45 AM	Registration Opens

5:15 – 5:45 PM	Ask the Experts
5:45 – 5:50 PM	Adjournment / Online Evaluation

Workshop Overview (Select 2)

Rapid Fire Visual Diagnosis: Foresee Your Next Patient!

Binita R. Shah, MD, FAAP

This workshop is intended to enhance your diagnostic skills through a picture potpourri of a variety of pediatric disorders and diagnose and manage pediatric “look-alike” disorders.

Town Hall with Meg Fisher, MD

Margaret ‘Meg’ Fisher, MD, FAAP

This workshop is intended to discuss emerging and re-emerging issues in infectious diseases and prevention & control

Bright Futures - What's New?

Judith Shaw, EdD, MPH, RN, FAAP

This workshop is intended to discuss changes to the Bright Futures guidelines and associated Periodicity Schedule; understand the revision process and the evidence/reason for the changes; and review strategies for implementing the revised recommendations for preventive pediatric health care

The Infant Spoon: A Real Power Tool in Pediatric Feeding

Peggy Eicher, MD, FAAP

This workshop is intended to describe the normal ontogeny of oral motor skills in children; understand how important the infant spoon is in introducing a wide variety of food and advancing texture; and describe how the infant spoon can help identify a child at risk for development of a feeding problem.

Added Sugars in Early Childhood (morning only)

Robert Murray, MD, FAAP

This workshop is intended to discuss Added Sugars in Early Childhood, including the nutritional risks but also the potential benefits of added sugars and the controversial issues around the new policy on 100% fruit juice.

School Going Children with Rheumatic Diseases - Pearls for the Healthcare Providers (afternoon only)

L. Nandini Moorthy, MD, MBBS, MS, FAAP

This workshop is intended to define common immunodeficiency diseases among school-aged children; discuss special considerations in the school setting such as susceptibility, absenteeism, vaccinations, and emotional/social issues.
