

# Therapies

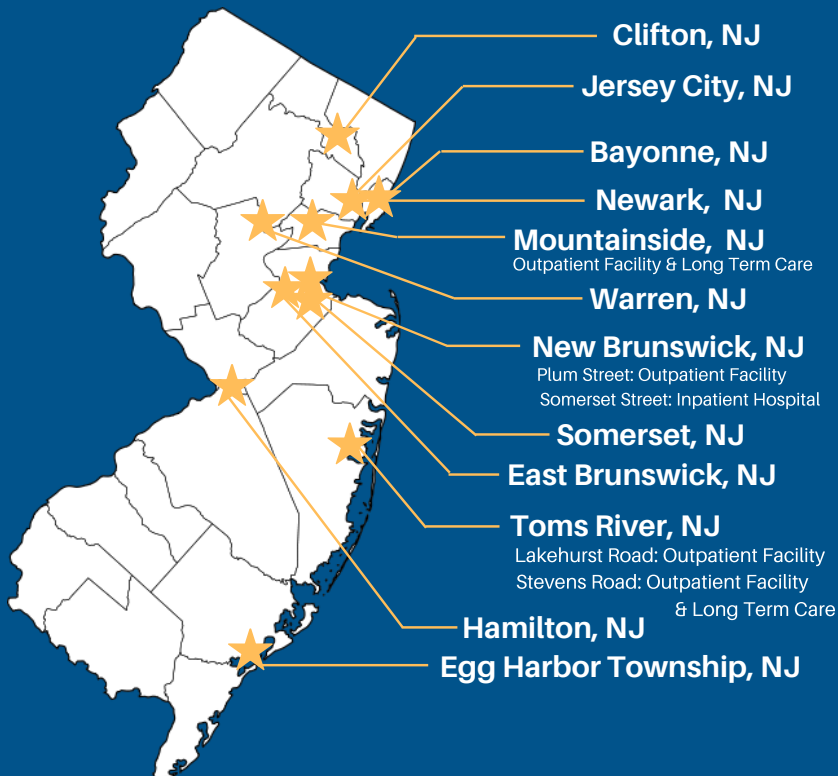

Our therapists are experienced and familiar with the developmental milestones that are normally attained at each stage in a child's life.

## Our outpatient therapies include:

- Audiology
- Occupational Therapy
- Physical Therapy
- Psychology
- Speech and Language Therapy

## Our Locations

For each discipline we offer, our therapists provide age-appropriate activities to improve skills in a way that is encouraging and motivating for patients to reach their goals.

Ultimately, our vision is a world where all children can reach their full potential.
