

2021 Fall Events

Epilepsy Services of NJ is pleased to announce our fall events. For a family-friendly 5k walk/run, register for our 8th Annual Glow Walk Run! Are you a music lover? Join us at the Stone Pony for our 10th Annual Paint the Pony Purple! Finally, come celebrate our 50th Anniversary at the Impact Awards. Registration is open for all events below.

Don't miss out on the fun! Register and become a Fundraiser for **Glow Walk Run!**

This year we have the ability to create or join fundraising teams for Glow Walk Run. Much like a Facebook fundraiser, you can create your own fundraising page to support this cause. Your personal page can be shared on social media, email or through text message. You can even join or create a team, please click *More Information* below to learn more!

If you have not registered already, you can do so by clicking below!

The **FRN Impact Awards** aims to honor and appreciate the meritorious impact that its partners, supporters and stakeholders have had in advancing its mission to offer individuals and their families with continuing needs the greatest opportunities, resources and services to support a full and happy life.

All donations raised during this very special evening help fund education and training programs and comprehensive services we offer to thousands of persons living with epilepsy, autism and other intellectual and developmental disabilities.

Click "More Information" to purchase your tickets!

NOVEMBER 14TH, 2021

The Stone Pony 913 OCEAN AVE.
ASBURY PARK,
NEW JERSEY

LIVE MUSIC, AUCTIONS,
RAFFLES, AND MORE

Community Impact Board

Never underestimate the power that one individual can make on his/her community, family, friends and neighbors. We will give you the tools to speak about ESNJ and its services, spread awareness, raise funds or just simply to connect us to a family in your community who could benefit from one of our programs or services. If you connect them to us, we can provide the necessary access, answers and action for them to live full, happy lives.

We ask ourselves: how can we continue expanding the quantity and quality of our services to families while facing decreasing government budgets and tight economic times for our donors? We need each community to stand up for this underserved population surrounding them.

Whether you are interested in advocating for people with epilepsy, raising awareness about epilepsy or fundraising, ESNJ welcomes your input and assistance in bettering the quality of life for people with epilepsy in New Jersey. Monthly virtual Zoom meetings will occur the 4th Tuesday of every month at 7pm.

Contact: cib@epilepsynj.org or 800.336.5843

Epilepsy Alliance America proudly embraces SK Life Science, Inc., a subsidiary of SK Biopharmaceuticals, as its marquee sponsor and supporter in our noble efforts to serve hundreds of thousands of people with epilepsy, and their families, caregivers, and communities.
