Health System  
Children's Health

We offer families an integrated network of care for kids. We are committed to providing patient and family-centered care in settings designed for kids – helping them feel comfortable and special at every visit.

Goryeb Children's Hospital, Morristown

## Atlantic Health System Goryeb Children's Hospital

Located on the campus of Morristown Medical Center, Goryeb Children's Hospital is the only state-designated "Children's Hospital" in north-central New Jersey. We provide advanced medicine, train future pediatric specialists, participate in important clinical research and much more. Goryeb Children's Hospital has the region's largest Pediatric Intensive Care Unit, a pediatric emergency department and the Valerie Fund Children's Center for pediatric hematology and oncology.

The Children's Center at Chilton Medical Center

## Pediatric Emergency & Hospital Services

All Atlantic Health System hospitals offer specialized pediatric emergency care. Overlook Medical Center has a pediatric emergency department and the Goryeb Children's Center, a 22-bed inpatient unit. The Children's Center at Chilton Medical Center combines pediatric emergency services and inpatient hospital care in a single, family-friendly facility. The Advanced Care Unit at Newton Medical Center treats pediatric patients who need more care than can be provided in the emergency department.

Specialty Centers

## Children's Health Pediatric Specialty Centers

Our 100+ pediatric specialists see kids across the region in convenient outpatient locations. These board-certified, nationally-recognized kid experts address the most complex conditions. Children's Health Pediatric Specialty Centers are located in Morristown, East Brunswick, Flemington, Sparta, Summit and Wayne.

Rehabilitation

## Additional Specialized Pediatric Services

Atlantic Health System Children's Health also offers additional services such as pediatric rehabilitation, adolescent medicine, concussion rehabilitation, a child development and autism center and much more.
