COVID -19 Maternal & Infant Outcomes Infant Follow-Up Form

The New Jersey Department of Health (NJDOH) is investigating maternal and infant outcomes in cases of COVID-19 infection during pregnancy. This form should be used to note the findings from the infant's physical exam. The NJDOH team will coordinate additional data collection as necessary. *Please note this is a dynamic situation and this form may be modified or changed.* **Submission Instructions:** Scan and send via **secure** email to: pregnantcovid@doh.nj.gov **OR** Fax to: 609-228-5635 **OR** Mail to: COVID Pregnancy Outcomes, SCHEIS, PO Box 364, Trenton, NJ 08625-0364

Name of Person Completing Form:_____

Email or Phone #: _____ **Date completed:** _____

Medical Record # **OR** COVID CDRSS Case ID: _____

Name of Child**:** _____ DOB**:** _____

If expired, date of death**:** _____ Cause of death**:** _____

Was infant hospitalized after birth? ☐ Y ☐ N

If yes, date(s): _____
Admitting dx (ICD10 or text): _____

Did the infant have jaundice requiring phototherapy after hospitalization? ☐ Y ☐ N
